### **MINA TENTS MAKTAB IN VIP AREA (easy walk to RAMI bridge)**

Every year, the total number of HAJIS arriving in the Kingdom is increasing rapidly due to which, the Saudi Government has extended the MINA tents even into MUZDALIFA to accommodate all of them.

According to majority of RELIGIOUS Scholars this is not according to Sunnah as Prophet Muhammad (P.B.U.H) stayed within the boundaries of MINA in HAJ & by staying out of mina hajjis miss 3 important Sunnahs of hajj. Also these new tent areas are several kilometers away from Jamaarat (Shaitan) & Hajjis have to walk several miles each & everyday to perform RAMI (throwing stones @ Shaitan) which results in increased tiredness & stress besides increasing the risk of any untoward incidence during daily trip. Our Group has arranged ideally located tents not only within the Boundary of MINA but also within walking distance from Jamaarat (Shaitan).

Confirmed stay in Mina is not only possible but also within convenient walking distance from Shaitan for 3 days of RAMI.

### **PRIVATE BATH ROOMS IN MINA**

Along with Public Bath rooms (which are shared by 1000's of Hujjaj) in MINA, we arrange the unique & highly beneficial facility of PRIVATE FIBERGLASS BATH ROOMS exclusively for our group members (maximum sharing 12-15 per bath-unit) So that the Hujjaj of our group may avoid the hassle of lengthy queues & the problem of cleanliness in public bath rooms which are highly unhygienic.

### **THREE BUFFET MEALS IN MINA with 24 Hrs. cold & hot Drinks**

Multi menu Buffet meals, 24 Hrs. cold & hot Drinks in Mina tents during Hajj days (7th Zil-Haj Night till 13th Zil-Haj) (normally Provided in Azizia Building by other groups). In Mina during HAJJ season, it is an ordeal & time consuming task to have proper food at proper time which results in meal skipping. This deficiency ultimately results in impaired immunity & shows up in the form of acute Flu or throat infection with complaints of body pains & high grade fever. Our group has arranged high quality Pakistani Cuisine which will be served in MINA tents during the 5 days of HAJJ .

## Madina to Makkah transfer BY-AIR or by CHARTERED VIP BUSES

We are the only group that either charters Luxurious Mercedes Benz Buses or a domestic flight via Jeddah airport, exclusively for our hajj group members to avoid highly uncomfortable travel in sub standard Govt Buses. This saves time and energy to perform Umrah as during Hajj season Govt. buses take 12 to 14 Hours to reach Makkah from Madina which drains you both physically and mentally apart from wasting one complete day and night and also gives you undue fatigue which can become hindrance in performing your HAJJ correctly.

## STANDARD A/C BUSES FOR 5 HAJJ DAYS (SILVER & BRONZE series)

PRIVATE AIR-CONDITIONED Korean/Chinese standard BUSES with confirmed seat for every hajji for Transfers between Mina, Arafat, Muzdalifa & Makkah. In regular Packages, the Buses pick from one fixed spot (where HAJIS reach on their own) & then the buses leave because a limited number of buses transport a much larger number of HAJIS by making multiple trips, due to this HAJIS wait for long times in ques to board a bus. Also due to Traffic delays many HAJIS are even denied seats in buses as there is only one bus (50 seater) for hundered hajjis. Whereas our private buses will pick HAJIS from their Hotels & will remain with them for 5 hajj days.

## PRIVATELY CHARTERED MERCEDES BUSES (Gold Series)

Luxurious Mercedes-Benz buses with bathroom for 5 Hajj days for Transfers between Mina, Arafat, Muzdalifa & Makkah, with confirmed seat for everyone. In regular Packages, the Buses pick from one fixed spot (where HAJIS reach on their own) & then the buses leave. A limited number of buses transport a much larger number of HAJIS by making multiple trips, due to this HAJIS wait for long times in ques to board a bus. Many HAJIS are even denied seats in buses as there is only one bus (50 seater) for hundered hajjis. Whereas our private buses will pick HAJIS from their Hotels & remain with them for 5 hajj days.

## ESCORTED RETURN TRANSPORT FOR TAWAF-E-ZIARAT

First & only group to provide escort service for Tawaf-e-Ziarat, includes pick-up from Mina, drop at Haram, guides for tawaf & then return to Mina. After years of experience we have been able to identify the most comfortable time for this Tawaf to avoid hassles arising due to rush in Haram. (Air-conditioned Korean/Chinese standard Buses)

## PERSONALIZED SERVICES

Our Hajj Group's Directors along with their families accompany Hujjaj at all times

## NO NIGHT IN AZIZIA

The standard practice by 99 % of private groups is that they avoid hotel stay of Medina and Makkah between 1st and 8th of Zil Hajj and instead stay in Azizia till 7th/ 8th Zil Hajj and then shift to Mina Tents directly from Azizia. So there is no stay in Hotels of Makkah and Medina between 1st and 8th Zil hajj. This is done by the group managements to avoid the expensive High Season (SUPER PEAK HOTEL SEASON) of the Hotels of Makkah & Medina which starts from 1st. Zil Hajj and ends on 8th ZilHajj.

## WHAT IS AZIZIA...?

Azizia is a New Makkah city located approximately 7 kilometers from the Masjid Al-Haram ( KAABA ). Normally it's a 20-30 minutes drive from Haram but during Hajj season specially in the last 4 days before hajj, the traffic situation becomes critical and it takes several hours to travel between Masjid Al-Haram ( KAABA ) and your Azizia building. So its not feasible to travel between Azizia and Masjid Al Haram more than once a day. So majority of the Hajjis during this period either stay in Azizia and DO NOT VISIT The Holy Mosque at all or otherwise they come to KAABA just before ASAR prayer after offering their FAJR & ZUHR in Azizia apartments and then stay till ISHA prayer in the Masjid to avoid the hassle of several hours travel between the two destinations. During this stay period in Haram, Hajjis are dependant only on the Public washrooms as its almost impossible to travel frequently to Azizia apartments for minor tasks.

## SUPER PEAK SEASON HOTEL RATES & AZIZIA

The period between 1st and 8th Zil Hajj is the SUPER PEAK SEASON of all the HOTELS of Makkah & Medina and the room rates applicable after Hajj are 400% less than this Super Peak Season. e.g a hotel room costing Saudi Riyal 3000 per night before Hajj from 1st Zil Hajj till 8th Zil Hajj period ,COSTS appx. 800 Riyals after Hajj. While there is NO COST of stay in Azizia as it is already PAID by Groups for the Whole season of HAJJ (MAUSM-E-HAJJ) i.e. 40 Days., as a compulsory requirement for HAJJ-VISA.

So by avoiding Hotel stay in Makkah & Medina between 1st and 8th Zil Hajj, the Group's Management saves the highest cost for the hotel nights falling between 1st and 8th Zil Hajj unlike our Group's Plan.

With the Grace of ALLAH, for the last 4-5 years all of our Group Hajjis stay till 7th Zil Hajj in their respective Medina Hotels and DO NOT NEED TO MOVE TO AZIZIA as we have booked the hotels even for the SUPER PEAK SEASON just to avoid the Cumbersome stay in AZIZIA apartments UNLIKE ALL OTHER GROUPS.

## DIFFERENCE OF HIGH & LOW SEASON IN AZIZIA

One more important thing to note is that even our Azizia packages are better that all other Azizia stay packages available. The reason being that even our Azizia package's Hujjaj will stay in the Medina Hotel till 7th Zil Hajj and they will spend their Azizia nights on 14th & 15th Zil Hajj after finishing Hajj. Not ONLY the Azizia Night Stay would fall in the Low season after Hajj but the Total number of Azizia Nights has also been reduced from standard of 4 nights to just only Two Nights.

The normal practice by 99% of the Asian Groups is that they check-out from their hotels in Medina & Makkah on 4th of Zil hajj and depart to Azizia where they stay from 4th Zil-Hajj till 8th Zil Hajj, which equals to 4 – NIGHTS. Contrast to this, Inshah-ALLAH , our group will stay in the Hotels of Holy City of Medina Munawarra till 6th / 7th Zil hajj and will not shift to Azizia like others. After Hajj on 13th Zil hajj all hajjis with NO-AZIZIA packages will move to their Makkah Hotels after Isha Prayer and those with Azizia night stay Packages will move into their Azizia apartment rooms from MINA at Zuhr time. They will stay in Azizia till 15th ZilHajj and move to their Makkah hotels on 15th afternoon, thereby staying for only 2-nights in Azizia and only 1 full day ( 14th Zil-Hajj). So even our Azizia packages are better than all the other Azizia packages available.

## FAZAAIL & BARAKAAT OF ASHRA-E-ZILHAJ

Exceptional Opportunity to earn the "Fazaail & Barakaat" of Ashra-e-Zilhaj by spending it in the Holy Mosques (Makkah & Medina) and Mashair (Mina, Muzdalifa & Araft).

We would like to inform you that the itinerary of our group has been arranged in a special way to allow our group members to avail the very special & blessed moments of "Ashra-e-Hajj" (First ten days of Zilhajj). All of our group members would spend these blessed days & nights in the Holy Land of Prophet Muhammad (PBUH), the city of Madina Munawara.

Ashra-e-Zilhajj (First Ten days of hajj) have very special religious significance in all the months of Islam. The special value & importance of these days & nights has been repeatedly mentioned in several Qurani Ayat's and Hadith. Worship, Prayers & good deeds carry very special & enhanced reward in these days & nights.

To highlight the religious importance of these blessed days & nights, we have provided a small book in consultation with Mufti's, scholars and Ulema's which comprises of relevant 'Qurani Ayat's' & hadith highlighting the significance of this blessed period.

We would also like to inform all hajjis that Ashra-e-Zilhaj (days preceding Hajj) fall in hotel's HIGH SEASON and high quality accommodation near Haram during HIGH SEASON is almost double/twice than the low season, which starts after Hajj in medina or before 25th Zeeqada. Keeping in view the best religious interest of hajjis, we opt for the HIGH SEASON; otherwise, we can depart late from Pakistan direct for Makkah & then Visit Madina after Hajj to avail low season discounted rates.

## UNIQUE FACILITY FOR PERFORMING HAJJ-E-QIRAN

Unique & Priceless opportunity to perform Hajj-e-Qiraan from Medina, The type of Hajj performed by Prophet MUHAMMAD (PBUH). In hajj-e-qiran, haji has to perform UMRA & HAJJ with single Ahram i.e. he can not open Ahram after performing only UMRA but instead has to perform HAJJ after UMRA & than open Ahram, unlike Hajj-e-tammatu.

## RELIGIOUS GUIDES/MUFTIS

Religious Guides accompany Hujajj throughout travel for detailed guidance on HAJJ

## QURBANI ARRANGEMENTS/FACILITIES

(in sequence, according to SUNNAH/WAJIB) is provided on EXTRA PAYMENT.

Qurbani is an important step of Hajj. To handle this ritual, Haji has to go to slaughter house, located several kilometers away from Mina plus it is always very crowded. It almost takes one complete day or even more to reach there, perform qurbani and return to Mina camp. The other option is Bank Coupon Sold by the banks, but this is controversial and is not approved by majority of the religious scholars of almost all sects of Islam. Also the qurbani "specific for Hajj" has to be slaughtered with in the limits of Makkah Haram and cannot be made in your homeland. Keeping in view all these issues, we have collaborated with one of the most authentic and biggest Religious school in Makkah "Mudarassa-e-Saulatia " who are experts in handling Hajj Qurbani you will be given a time to end your Ahram after making 100% sure that your qurbani has been performed properly.
